

## Regency Communities Swimming Facilities (Cambridge and Danbury pools)

### **2024 UNGUARDED HOURS SWIMMING WAIVER**

Swimming under this waiver releases all members of the Regency Communities Association (“HOA”), Regency Communities Board of Directors, the association’s contracted pool management company, Elite Management Professionals, Inc. and Wake County from any responsibility in the event of any injury incurred while swimming outside of scheduled pool hours when there are no lifeguards on duty. When no lifeguards are present, the pool is a SWIM AT YOUR OWN RISK facility.

Swimming under this waiver is also subject to all conditions as described in the Regency Communities Pool Rules & Regulations. By signing this waiver, I have read, fully understand, and am responsible for complying with the Regency Communities Pool Rules & Regulations and schedule. Additionally, I certify that:

- This waiver covers access to the pool from 5:30 AM until the lifeguards arrive to open the facility. This waiver is null and void between the pool’s scheduled closing hour and 5:30 AM daily. When the pool closes, I must leave, or I will be considered trespassing. I will make way for staff while they are cleaning.
- I am a member in good standing with the HOA for use of the Regency Swimming facilities and I am age 18 or older. My assessments are paid in full.
- I am swimming totally at my own risk and will be solely financially responsible for any injuries or disabilities suffered while swimming outside of scheduled pool hours when there are no lifeguards on duty.
- I understand that swimming alone is prohibited and that I must have another person with me who is a resident and has signed this same waiver. Those owners who have signed this waiver will have key fobs that can open the gate beginning at 5:30 AM. **Non-resident guests are not permitted to enter the pool area during unguarded hours.** I will keep my fob safe from access from unauthorized users, including members of my household who are under the age of 18.
- Prior to swimming, I will check the pool phone for a dial tone to verify its correct operation. I will notify Elite Management immediately and not enter the pool if the pool phone is not functioning.

This waiver is valid only for the pool season and is null and void if the facilities must close due to weather, mechanical, chemical, Health Department, or other reasons.

**Unguarded hours waivers can be completed on the community website**

### **POOL**

Those at risk of having a bathroom accident in the pool are required to wear secure fitting rubber pants. Swimmers ages 3 and under are required to wear a swim diaper at all times. Disposable diapers may not be worn in the pool. Swim diapers are not sufficient. Should an accident occur, the responsible party will be charged the cleanup and pool closure fee, a minimum of \$100.

Lifeguards have been provided for your safety during hours shown on the pool schedule. Children may not be left unattended at the pool.

Children 11 years of age or younger must always be under the DIRECT supervision of a parent, guardian or designated sitter. Such persons must be at least 16 years of age.

The wading pool is for children 5 years of age and younger only. Each child must be under the direct supervision (within arm's reach) of a parent or guardian of at least 16 years of age.

Showers are required before entering the pool.

Swimsuits are required for swimming. Cut-offs or street clothes are not permitted.

Persons with open sores, blisters or cuts should see the lifeguard before entering the pool to determine if they may enter the water. Band-Aids must be removed before swimming.

Diving is only allowed in the deep end of the pool as designated by the ropes. Front dives only. No flips.

Jumping or diving on top of a swimmer already in the water is not permitted. Hanging or holding on to the ropes is not permitted.

The lifeguard shall determine when the shallow area (1-3 ft.) shall be restricted to non-swimmers and their supervisors.

Only coast guard approved flotation devices are allowed. Water wings are not approved. When flotation devices are required to keep children's head above the water, children must be within an arm length of parent or guardian or the child's feet must be firmly on the ground. Children who are unable to swim confidently without a flotation device shall not be permitted in the deep end of the pool. No floats over 3ft by 1ft in size allowed in the pool area.

Pool toys, including inflatable floats and water guns will be permitted in the pool only at the discretion of the pool manager or lifeguard on duty.

Ten minutes per hour will be designated as adult or adults with infants swim. Persons under the age of 18 must exit the pool at this time.

A lap lane has been provided for those swimming laps at any time during pool hours. Please respect those in the lane and do not play in the area.

The deck and/or pool will be cleared or closed at the first sound of thunder or lightning. The pool will remain closed until the lifeguard determines it is safe to use the pool, usually a minimum of 30 minutes.

Swimmers are not allowed to spit or spout water from their mouths back into the pool.
